

2023/24 Vacation Care Program

JUNIOR (Ages 5-8)

Cool Koalas Clay sculpture

Have fun with clay and 3D form to create a cool koala sculpture. We will paint it too!

Funny Clay Faces Clay

Explore modelling with clay to create a clay mask design while exploring pattern, line, texture and shape.

Crab Prints Printmaking

Learn new printing technique in this fun workshop. We will create a crab print block from a range of 2D media, and will create a vibrant beach design.

Mix Media Rockets Mixed Media

We will have fun with collage, painting, printing, working with a whole range of media, to create some out of this world rockets. **BLAST OFF!**

SENIOR (Ages 9-12)

Clay Sharks 3D Clay Sculpture

Create a 3D sculpture of a sleek shark. Explore 3D form and modelling techniques with clay. We will paint our sculptures too!

Bold Bird Prints Printmaking

A great workshop exploring printmaking basics. Children will work with a number of printing techniques to create their vibrant bird designs.

Funky Food Sculpture Clay

Be inspired by food! From fruit to fast food – children will pick a food, & make it with clay! A fun process exploring clay & 3D form. Delicious!

Decorative Mexican Wall Hanging Mixed Media

We will work with a range of fun vibrant media to create a colourful decorative wall hanging inspired by Mexican culture.

ALL AGES

Mini Monsters Clay Sculpture

Have fun creating a cool monster character working with clay and a range of 3D media.

2D Dreamwebs Draw/Paint

Time to get zen in this quiet reflective workshop exploring shape, line, pattern, working with watercolours and markers to create a dream web artwork.

Arty Aussie Animals Mixed Media

Work with a range of 2D media including pastels, charcoal, paints to create an Aussie animal artwork.

Turtle Love Clay Sculpture

Learn about clay and 3D form to create a fun sculpture of a sea turtle. We will also work with paints to colour our little sea creatures.

Mural Art

<> GROUP PROJECT <> Drawing/Painting

You pick the theme for this project – faces/ monster/ bugs/ under the sea/ robots/ nature/ cities/ dragons, etc. Students work in small groups to create large scale artworks.
